Shahrah-e-Faisal, Karachi.

Subject: AWARENESS SESSION FOR THE ASSOCIATION'S NON-CORPORATE MEMBERS

Dear Sir/Madam,

The Securities and Exchange Commission of Pakistan (SECP) has consistently spearheaded policy reforms and digital transformation to simplify business entry, enhance regulatory clarity, and encourage formalization of the economy. The SECP has achieved record-breaking corporate growth through corporatization initiatives including online incorporation through the eZfile platform, integration with external registries, and digital facilitation.

The purpose of this letter is to request your Association to facilitate an awareness session for the Association's non-corporate members. The objective would be to raise their awareness about corporate incorporation.

This initiative is intended to:

- enhance awareness regarding the advantages of operating through a company structure;
- encourage informal/unregistered businesses and partnerships to consider corporatization;
- educate the Association's members about SECP's simplified and digital incorporation process; and
- highlight the benefits of incorporation, including enhanced credibility, continuity of business, access to finance, participation in formal markets and improved business opportunities.

You are therefore requested to reply to this letter by **September 07, 2026** indicating **a proposed date** on which the Awareness Session may be held for the members of your Association. Please note that the session may be arranged at your Association's premises or through an appropriate virtual platform (like Zoom).

(Obaid Ur Rehman)
Additional Registrar
